## Frequently asked questions

### **Where are you based in?**

*We are currently based in Bogor & Jakarta, but we love to travel!*

### **How do I book?**

*First, we need to make sure your date is available. If you want to meet us first, sure we can arrange a Zoom or Meet meeting first. After everything is in order, we will send you a quotation for you to review. If you agree, a 30% non-refundable down payment is required to book the date.*

### **What is the payment term and method?**

*a 30% non-refundable down payment is required to reserve the date and the remaining of the invoice is required 1 week before the agreed date. If you book us for 3 or more events, the invoice will be split into 3: first to book the date, second after the second event, and third one week before the last event.*

### **How about weddings outside of Jakarta, Bali, & Bandung?**

*You can refer to our normal price list for weddings in Bogor. However, a fixed additional fee is required for weddings outside of the listed cities.*

## Frequently asked questions

### How does the product delivery work ?

*We mainly use Google Drive for our online delivery and we will mail the final USB drive to you (inclusive for INTIMATE WEDDING)*

*Below is the approximate duration per step of our delivery process:*

### Delivery timeline

*1 week after session  
Photo teaser (up to 50 photos)*

*4 weeks after session  
max 1 minute video teaser*

*5 weeks after session  
Complete edited photos via Google Drive*

*10 weeks after session

## Frequently asked questions

### Who will choose the photos that are edited ?

*On the day, our photographers and videographers will capture thousands of frames making sure all of the moments are captured. It will be overwhelming for you to choose the edited photos. We will choose the photos that are captured on the day. But, you can request which moments to want to be included,*

### Who will decide the locations and outfits for our couple session ?

*All decisions will be made by you but we will help you with options and inputs. The most important thing is for you to be comfortable.*

### We are camera shy, can you help ?

*We shoot all of our photos and videos with the upmost care, we believe every couple are unique, that's why we asked you questions during your session and sometimes before. We will do our best to bring out the real you.*

### Can I request the team for our session ?

*Unfortunately, not yet. We can assure you every single member of our team will deliver and meet our standards.*

## Frequently asked questions

### **If I take day separation, does it mean I will have 2 videos ?**

*Taking day separation does not mean you will get 2 videos, we will combine the two days into one teaser, one highlight, and 1 documentary film. But, you can request add ons for additional videos.*

### **Can I request the songs for our video?**

*We will mostly pick the songs for your videos. We will do our best for the songs to fit the mood of the sessions. But you can request the song you want, and we can give recommendations for what songs fit the mood and style of our videos.*

### **Can you attend our technical meeting?**

*During the pandemic, we would like to limit the exposure of our meeting offline. Online technical meeting is preferable.*

## THANK YOU

*We would like to talk to you and share what inspires us and share what inspires you.  
We spend most of our time in Jakarta & Bogor, but we certainly can arrange an online  
meeting with you.*

*We know that the wedding industry is packed with talented teams and individuals,  
and there are a lot of things to consider. Whether we come along in your journey or  
not, we are happy that our work has spoken to you and thank you for taking the time to  
consider and talk to us.*
